There's something manly about camping out with your father or son. But planning the trip can be a hassle, the cost can be prohibitive, and what do you talk about around that campfire? Camp Eden's got all that figured out. Block off the time in your schedule to spend some time with the men in your family. Create some bonds by learning together, playing together, and growing together. It's a camping trip without the hassle of planning it!

Matthew Von serves as the Family Life and Counseling Pastor at Tri-City Baptist Church and the Director of Rocky Mountain Biblical Counseling Center in Westminster, CO. For over fifteen years, God has used Matthew to help hundreds of individuals and families through Biblical Counseling and discipleship. As a husband and father of five sons, Matthew believes that his wife and children are his first and most important disciples. Matthew's greatest joy is helping others know and follow Christ as his family serves in the church, helps in the community, competes in sports, and enjoys the outdoors. This will be Matt's first time speaking at Camp Eden.

L.A.S.T. (Leadership and Servanthood Training) Camps provide training in Christian service, practice in biblical leadership, and experience in camp ministry that's a step above just attending camp! L.A.S.T. Campers get the chance to serve alongside our summer staff and year-round staff, learning skills to serve in future ministry, gaining new friends and family, and equipping themselves to lead at home, church, and school. The first week allows campers to enjoy the benefits of staff training alongside older, mature staff members. The second week plugs campers into service areas of cooking, cleaning, counseling, and activity assistance to use the tools they've gained.

Applications and references are required.  
Please contact the camp-office to receive these materials.

Since 2005, Teen Camps at Camp Eden have blended adventure activities and traditional team-based programs together into a unique Colorado camping experience. Not only are campers immersed in God's Word throughout the week, but they also can participate in adventure activities that capitalize our remote mountain location. The combined effect of being out in God's creation while being saturated with God's Word makes Teen Camp an effective beginning to a student's spiritual journey.

**SPEAKER: NATHAN CROCKETT**

## WEEK ONE JUNE 25-30, 2018

Nathan Crockett is the Director of Ministry Training at Bob Jones University as well as a member of the Bible faculty. But in 2014, his church sent his family to follow God's call in itinerate gospel ministry to local churches. He is an expositor of the Word of God, with a consistent theme of helping the church learn, live, and give the gospel of Jesus Christ entirely by God's grace. This will be Andy's first time speaking at Camp Eden.
