

Camp Eden Release Form

While we make every effort to provide a safe and pleasant environment for every camper who attends Camp Eden we do require that this participation agreement be read, filled out, signed, and dated by all campers (or their parent/guardian if under the age of 18) who wish to participate in activities at Camp Eden.

With full knowledge, I accept full responsibility for any injury or accident that may occur to myself, my spouse, or my child while participating in Camp Eden activities. I give permission for my child to participate in activities that occur at Camp Eden. These activities may include, but are not limited to, swimming in the lake, rock climbing and/or rappelling, hiking, zipwire, archery, riflery, and strenuous competition games.

Although Camp Eden has taken reasonable steps to provide equipment and skilled employees so yourself, your spouse, or your child can participate in activities for which he/she may not be skilled in, we do remind you that these activities are not without risk. Certain risks cannot be eliminated due to our camp's rural setting and without destroying the unique character of those activities. The same elements that contribute to the character of these activities can be cause of loss or damage to your property, accidental injury or illness or, in extreme cases, permanent trauma or death. We do not want to frighten you or reduce your enthusiasm for these activities, but we do think it is important for you to be informed and know in advance about inherent risks.

For promotional or marketing purposes, Camp Eden reserves the right to use any audio, video, and/or photography of guests or campers participating at Camp Eden facilities.

I, on behalf of myself, my children, my assigns and my estate, agree to release and hold harmless Camp Eden, its officers, board, agents or employees, for any and all claims for injuries, causes of action, or liability related to my child's participation in any activity occurring at Camp Eden. This release does not apply to intentional and/or willful acts of misconduct by Camp Eden or any of its officers, board, agents or employees.

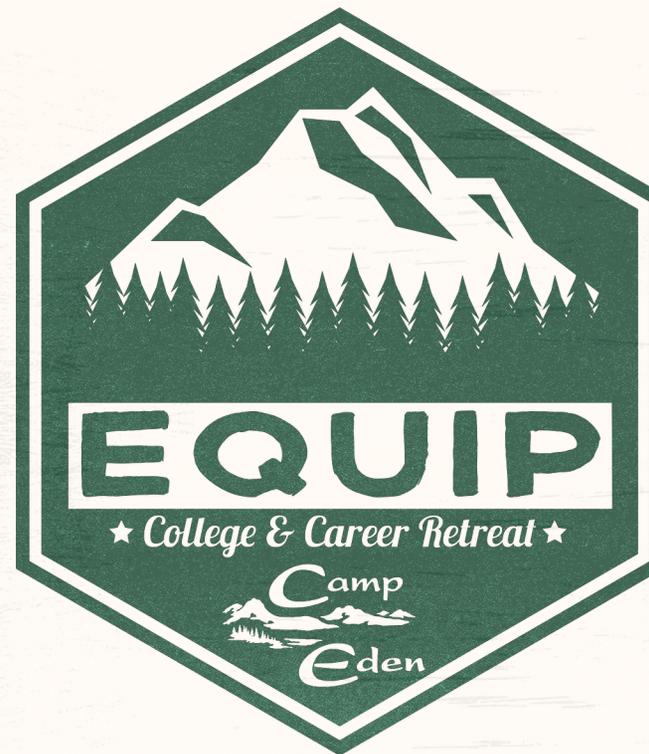

Should Camp Eden, or anyone acting on their behalf, be required to incur attorneys' fees and costs to enforce this agreement, I agree to indemnify and hold Camp Eden harmless for all such fees and cost.

By signing this document, I acknowledge that if anyone is hurt or property damaged during my or my child's participation in these activities, I and/or my child may be found by a court of law to have waived any right to maintain a lawsuit against Camp Eden on the basis of any claim which has been released herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and agree to be bound to its terms.

Equip

The Apostle Paul encourages young, single adults to be busy about the work of the ministry (1 Corinthians 7). In a time of life free of family concerns, young adults ought to be at the center of ministry in churches.

Many young adults are eager to be involved in the work of the ministry, but need to be equipped. Camp Eden and Cross Impact Ministries hope to provide both motivation for ministry through general sessions with our speaker, and practical tools for ministry through our Equip sessions.

Come to relax, stay for some fellowship, and return home refreshed - ready to serve your local church.

Speaker - Pastor Scott Ashmore

Pastor Scott Ashmore has served on the pastoral team of Lebanon Baptist Church in Roswell, GA since 2013. Previously he was an associate pastor in TN and served on The Wilds staff assisting in preaching, counseling, music, and directing the CIT program. His burden is that the truth of the Gospel is both guarded and passed on to the next generation so that they will personally know and love God and purposefully serve and invest in others. This will be Scott's second time preaching at Camp Eden.

Equip Sessions Focus - Counseling

The term counseling can bring to mind couches, notepads, and psychology textbooks. But biblical counseling is anything but a sterile, clinical process. It's warm, compassionate, and life-altering.

Randy Vawter - the director of Camp Eden - will equip you to address areas of sin and suffering in your own life and in others. Randy has taught counseling for eight years and is currently working through the certificate program at the Christian Counseling and Education Foundation (CCEF).
