Being last is not a well-regarded position in our competitive world.

Jesus has a different value system, though. In Mark 9, upon hearing the disciples argue about who would be greatest in the kingdom, Jesus passes on the secret of true greatness – “If any man desire to be first, the same shall be last of all.”

At Camp Eden, we value biblical servant leadership.

We want to help instill the biblical values of hard work, service, leadership, and compassion in the next generation of leaders. Our LAST program is designed to do just that.

## CAMPER REQUIREMENTS

### Requirements:

- Grade 10-12 (graduates welcome)
- Be willing to learn
- Complete application & references

## HIGHLIGHTS

- Learn and use skills in biblical counseling
- Develop teamwork skills
- Be paired up with a college-aged staff member for prayer and mentoring
- Gain useful skills and work ethic that are useful beyond camp
- Establish friendships with other students who want to serve God as well
- Be stretched and challenged to grow in areas of Christian character

## BENEFITS

### Lead

Leadership is a stewardship. The key to good stewardship is faithfulness (1 Cor. 4:2). Camp provides a testing ground for faithfulness. Long hours, challenging work, and other people will allow the faithfulness of leadership rise to the surface. Camp provides a real-time look at leadership.

### Serve

LAST camp gives students the chance to do hands-on ministry alongside experienced ministry workers. This service provides invaluable skills, but also instills a godly work ethic. Putting into practice principles of humility and teachability makes service a powerful classroom for life.

### Learn

Each LAST camper is trained just like our summer staff. Campers gain tools for counseling others, sharing the Gospel, and maintaining godly relationships. In addition, each camper is paired with an older staff member with whom they pray, learn, and serve.

## OVERTSIGHT

Randy Vawter is the Director of Camp Eden and an Assistant Pastor at Beth Eden Baptist Church. He has been working with students for over 10 years. Randy's ministry is centered on mentoring and discipling young people into effective biblical ministry. He is a big fan of both coffee and Coca-cola, but is not dependent on either (probably).
